

Spare Parts Kits – Pacesetter™ HB-25, HB-55, HB-65 Tabletop Baggers

How much does downtime cost your business? Maintaining an inventory of spare parts on-hand could prevent valuable lost production time and keep your packaging system operating at peak performance.

At Automated Packaging Systems, we manufacture reliable, high-quality bag packaging equipment that is designed for maximum productivity and uptime. For every bagging system we build, a variety of Spare Parts Kit options are available to support on-site

service and preventative maintenance requirements. Our comprehensive Spare Parts offering makes it easy for you to source and secure the genuine Autobag® parts you need, when you need them – without the potential for alternate source substitution, obsolescence or out-of-stock issues that could arise with a third-party provider.

To learn more, or to place an order, please call us on 01684 891400 or freephone 0800 731 3643
