

COMPANY HEALTH AND SAFETY POLICY STATEMENT

The following is a statement of the Company's general Health and Safety Policy in accordance with Section 2 of the Health and Safety at Work etc. Act 1974.

The Senior Management Team of Automated Packaging Systems Ltd. intends to assure, so far as is reasonably practicable, the Health, Safety and Welfare of all employees within the company or other persons who may be affected by our undertakings.

To this end the Company will: -

- Provide working conditions, plant and machinery, working methods, and adequate safety equipment, which are safe, as far as is reasonably practicable, and in compliance with legal requirements;
- Monitor all working areas, processes and systems of work with the aim of improving standards of Health and Safety;
- Ensure a systematic approach to identifying hazards, assessing the risks, determining suitable and sufficient control measures and informing employees;
- Provide appropriate information, instruction, training and supervision to employees in Health and Safety working methods and in the understanding of any hazards and related precautionary methods;
- Use, so far as is reasonably practicable, substances which are, so far as is known, free from risk, and, where other substances are used as a necessity, ensure that hazards are communicated to employees, and that safe methods for the use of such substances are established and followed;
- Ensure that each person holding a managerial or supervisory role is aware of his or her responsibilities in relation to Health and Safety at work, is trained in the execution of them, and is provided with the adequate finances and resources for carrying them out. These persons will be accountable for their performance in this field as for other matters under their control;
- Ensure that employees understand their responsibility to follow specified working procedures and to meet their statutory obligations under the Health and Safety at Work Act 1974;
- Comply with Health and Safety requirements as determined by our parent organisation, Sealed Air and with reference to the SEE Environmental Health and Safety Policy Statement;
- Conform to our Manual of Safe Working Procedures;
- Where applicable, give due consideration to the Health and Safety aspects involved when any decisions affecting the Company are made.
